

*Get Control of Your Business Processes*

# Collision Repair Manager

This program is the most advanced system on the market today:

- **RUNS DIRECTLY FROM YOUR BROWSER**  
- OS independent – it will work with any device that runs a browser with access to the web.
- **NO NEED TO DOWNLOAD SOFTWARE**  
- Software is located on web servers.
- **ALWAYS UP-TO-DATE**  
- All software updates are transparent to users and are available instantly.
- **COMPATIBLE WITH ANDROID AND APPLE DEVICES**  
- Works with inexpensive Tablets, Chromebooks., and I-Pads
- **COST EFFECTIVE**  
- No need to own and maintain expensive computer hardware.
- **INTEGRATES SEAMLESSLY QUICKBOOKS**  
- Best QuickBooks Desktop integration in the Industry
- **CLOUD DATA BACKUP**  
- Cloud Backup safeguards your business by helping to protect important shop data.
- **ENTERPRISE-GRADE DATA SECURITY**  
- Uses software and hardware firewalls to protect data and keep out unwanted guests.
- **BUDGET FRIENDLY**  
- Charged on a monthly basis as the most competitive full featured system today
